Summary: A poem I wrote after finishing Halo Reach.

Lone Wolf, Lone Wolf

A/N: okay, so this had a bit of funkyness to it, so thank you to the Guest reviewer nafara for telling me

Lone wolf, Lone wolf

Singing to the moon

Your pack is gone, and you will be soon.

Lone wolf, lone wolf

The sacrificial lamb

Snarling at death, but it is all a sham

Lone wolf, lone wolf

Don't you know

Its only the pack that survives the snow

Lone wolf, lone wolf

You must realize

It is always the lone wolf that dies.
